/ DORA REGISTER & CONTINUOUS MONITORING

RATES

Build your DORA Register of Information. We watch the vendors in it. Start with the DORA Register; add monitoring as you need it.

// BASE SUBSCRIPTION

Required for every add-on

BASE

DORA Register

Your ICT third-party Register of Information, per legal entity.

€450 /mo

// ADD-ONS

Added to the base subscription

ADD-ON_01

Attack Surface Monitor

Continuous monitoring of your external attack surface, plus near real-time dark-web monitoring of employee credential exposure.

€450 /mo

ADD-ON_02

Supply Chain Monitor

Dark-web and exposure monitoring of the vendors in your register.

€750 /mo · up to 25 vendors

€1,450 /mo · up to 50 vendors

ADD-ON_03

GDPR/DORA Incident Alert

Monitoring of your own identifiers for leaks that may trigger GDPR or DORA reporting.

€400 /mo

FULL_STACK

The full Domino stack.

DORA Register base subscription plus Attack Surface Monitor, Supply Chain Monitor (up to 25 vendors) and GDPR/DORA Incident Alert.

€2,050/mo

€24,600 PER YEAR

// FURTHER ADD-ONS

Scale to fit you

ADD-ON	APPLIES TO	PRICE
Additional legal entity	DORA Register	€150/mo
Each vendor above 50	Supply Chain Monitor	€60/mo
Regulatory report drafting	GDPR/DORA Incident Alert · per report	€800

TESTING, ALONGSIDE · QUARTERLY WEB APPLICATION PENETRATION TEST

Once a year is not enough.

Four tests a year on one web application. Environments with more web applications are quoted separately. Domino modules are not included.

€20,960

PER YEAR · 4 TESTS · 1 WEB APPLICATION

- Alerts are reviewed by an Acta engineer before they reach you.
